### ***MEMBERS***

#### **SECTION 1. MEMBERSHIP**

Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject, by the terms of the Certificate and Deed of Dedication, to assessment by the Association, and does not own such interest in the capacity of a developer or residential builder, shall be a Member of the Association ("A Member"), provided that any such person or entity who holds such interest merely as security for the performance of an obligation shall not be a Member. Also, Noble Sokolosky, the developer, and its successors and assigns, provided such successor or assign acquires one or more vacant lots from the developer in the capacity of a developer or residential builder, shall not be members. The rights of Membership, including the right to participate in Association affairs, the right to vote, and the right to use the mutual or common areas and facilities are subject to suspension by the Board of Directors, after reasonable attempts

have been made to obtain compliance, for; (1) Failure or refusal to pay any assessment payable by the member during the period that such assessment payable by the member remains unpaid for more than 30 days from the due date; (2) An infraction of, default in, or breach of the By-laws of the Corporation, the Deed of Dedication of The Lakes of Bailey Ranch by the member, as provided therein; and (3) Any breach or non-compliance by the member, as determined from time to time by the Board of Directors of the Corporation, of any of the duly adopted rules and regulations.

Membership shall be appurtenant to and may not be separated from ownership of any Lot or Dwelling Unit which is subject to assessment by the Association, except as limited herein.

All persons, upon becoming members of this Association, shall remain members thereof for the period of their ownership of a Lot or Dwelling Unit in The Lakes of Bailey Ranch. Membership in this Association may not be assigned, transferred, sold, pledged, mortgaged or otherwise conveyed or encumbered, nor shall ownership thereof devolve in any manner to any person independently or separately from the ownership of the Lot or Dwelling Unit in The Lakes of Bailey Ranch to which such membership appertains.

Except as otherwise specified herein with regard to the right to vote at a meeting of the Association, membership in this Association shall terminate without any formal Association action whenever an owner ceases, for any reason, to own an interest of record in a Lot or Dwelling Unit in The Lakes of Bailey Ranch. However, such termination shall not relieve or release any such former owner from any liability or obligation incurred during his/her/its period of ownership, nor shall such termination impair any rights or remedies which the Board of Directors of the Association or other members may have against such former owner arising out of or in any way connected with such ownership and the covenants and obligations incident thereto.

The Association shall issue no shares and have no capital stock, but the Board of Directors may, if it so elects, issue membership cards to each Member of the Association. Any membership card so issued shall be surrendered to the Secretary of the Association whenever such member's membership, as defined herein, shall terminate. There shall be no membership dues or initiation fees, as such, charged to or collected from any Member by the Association. However, this provision shall not be construed or interpreted as limiting, modifying or in any manner affecting the right to make assessments by the Association for common expenses and estimated common expenses as determined from time to time by the Board of Directors consistent with these By-laws.

Membership in this Association may not be revoked, terminated, cancelled, or suspended for any cause except as provided in the Deed of Declaration or these By-laws.

## **SECTION 2. VOTING RIGHTS**

The Association shall have one class of voting membership. The right to vote at a meeting of members shall be limited to members of the Association. Membership in The Lakes of Bailey Ranch Association as defined herein, entitles said Member to one (1) vote, provided that when more than one person or entity holds an interest in any single Lot or Dwelling Unit jointly or in common, all such persons or entities shall be members and be entitled to personally cast the vote for such Lot or Dwelling Unit, however, the vote for such Lot or Dwelling Unit shall be exercised as they, among themselves, shall determine, but in no event shall more than one (1) vote be cast with respect to any such Lot or Dwelling Unit. Vote splitting will not be permitted. If two or more joint or common owners attend any meeting of the Association, the said joint or common owners are responsible for advising the Secretary of the Association, prior to the recording of any vote, which of the said joint or common owners will be exercising the vote for

such Lot or Dwelling Unit. If the said joint or common owners fail to so advise the Secretary, the vote for such Lot or Dwelling Unit shall be suspended if more than one (1) person seeks or attempts to exercise it. The right to vote may be suspended without notice for any of the reasons set forth in these By-laws.

Any person(s) or entity, which own(s) two or more Lots upon which no residences have been established, shall be entitled to one (1) vote for each such Lot. In the event any two Lots which have any common property line, shall have the same owner(s), the said owner(s) may, at the time the first residence is established on any part thereof, elect to combine the two commonly owned Lots into a single Dwelling Unit. In the event any owner elects to combine two commonly owned Lots into a single Dwelling Unit, said owner shall thereafter be entitled to only one (1) vote for such combined Dwelling Unit. In no event shall any more than two such Lots be combined to form any single Dwelling Unit and in no event shall more than one residence be established on any single Dwelling Unit. In the event any Lot or Lots which had previously been combined to form a single Dwelling Unit shall at any time cease to be commonly owned, the said Lots shall thereafter be considered separate Dwelling Unit and owner(s) shall be entitled to vote accordingly. An election to combine any Lots as herein provided shall also constitute an election to combine said lots for purposes of assessment pursuant to Article VI, Section 1.

Such notice shall specify the place, date, and time of the meeting and in the event of a special meeting, the purpose of the special meeting.

Members may opt to receive email notifications instead of written notice by filling out an official notification request form from the Secretary of the Association. This form shall be made available to the members at every annual and semi-annual meeting. Email notices of each annual, semi-annual and special meeting of members shall be sent at least 30 days before such meeting to each Member.

From these instruments, the Secretary shall compile and maintain a current and complete list of the owners of any interest in the lots or dwelling units arranged in alphabetical order with the addresses of each interest owner. Such list shall be kept on file at the registered office of the Association and shall be subject to inspection by any Member at any time during usual business hours. Such list shall also be produced and kept open at the time and place of any meeting, and shall be subject to inspection by any Member during the whole time of any such meeting. The original membership transfer book shall be prima facie evidence as to who are members of the Association entitled to examine such lists or membership transfer book, or to vote at any meeting of the membership.

A member may file a Member Absentee Vote and indicate the desired vote on any matter or matters the exact nature of which have previously been identified in writing and which are subsequently brought up for a vote at the meeting. The Member Absentee Vote must be filed with the Secretary no later than two (2) days preceding the meeting. (e.g. Tuesday for Thursday meeting) and must have attached thereto as exhibits, the written statements of the matters to which it applies.

Prior to recording any Member Absentee Vote on any matter brought up for a vote, the Secretary of the Association shall examine the Member Absentee Vote to determine if the written statement of the matter to which it applies is substantially identical to the matter being voted on. In the event the Secretary should conclude that the written statement of the matter to which it applies is not substantially identical to the matter being voted on, the Secretary shall record the Member Absentee Vote as an abstention, otherwise the Secretary shall record the vote as indicated by the member.

Except as otherwise provided herein or in the Certificate and Deed of Dedication or the Articles of Incorporation, the passage of any item properly brought up for vote at any annual, semi-annual or special meeting of the Association at which a quorum is present shall require an affirmative vote of a simple majority of the Members voting.

#### **SECTION 10. MULTIPLE OWNERS**

When more than one person or entity holds an interest in any single lot or dwelling unit jointly or in common, all such persons or entities shall be members and entitled to personally cast the vote, however, the vote for such Lot or Dwelling Unit shall be exercised as they, among themselves, shall determine, but in no event shall more than one (1) vote be cast with respect to any such Lot or Dwelling Unit. Vote splitting will not be permitted. If two or more joint or common owners attend any meeting of the Association, the said joint or common owners are responsible for advising the Secretary of the Association, prior to the recording of any vote, which of the said joint or common owners will be exercising the vote for such Lot or Dwelling Unit. #### **SECTION 6. ACTION OF THE BOARD**

The Board of Directors may act only as a Board with each Director having one (1) vote. The Board may not act, so long as there is a vacant position on the Board, except to vote for a replacement for that vacancy. ### **FUNDS AND ASSESSMENTS**

#### **SECTION 1. ASSESSMENTS**

All members of The Lakes of Bailey Ranch Association, as specified in the Certificate and Deed of Dedication and these By-Laws, shall be subject to assessments for the cost of maintenance, repairs, and upkeep of the common areas and facilities that are mutual to all property owners. Assessments shall be made on a per "Dwelling Unit" basis. Since all lots in The Lakes of Bailey Ranch are restricted to residential single-family dwellings and may not be subdivided to accommodate two or more separate owners and/or dwellings, each separate "Lot" designated on the recorded plat of The Lakes of Bailey Ranch shall, except as hereinafter provided, be considered a "Dwelling Unit" for purposes of assessment.

There shall be three (3) types of assessments: (a) a Base Assessments; (b) a Residence Assessments; and (c) Special Assessments. The amount of the Base Assessments, the Residence Assessments and any Special Assessments shall be such amounts as are determined from time to time by the members of the association. Unless otherwise determined with regard to a Special Assessment, all assessments will be payable in lump sum or on a monthly basis.

#### **(a) Base Assessments**

The Base Assessment is the assessment which is payable by the Owner or owners of any Lot or Dwelling Unit upon which no Residence has been "established" as such term is hereinafter defined. The Base Assessment is due and payable by the Owner or owners of any Lot or Dwelling unit from the date the instrument creating the Owner or owners interest in such Lot or Dwelling Unit is or could have been filed of record in the Office of the County Clerk of Tulsa County, State of Oklahoma, and until a Residence has been "established" thereon. For the purpose of determining the type of assessment due, a Residence shall be considered "established" upon the earliest to occur of (i) one hundred and eighty (180) days from the date the framing of a residence begins, or (ii) a residence thereon is occupied by the Owner(s) or someone with the Owners' consent. Base Assessments will be invoiced (letter or email) after the first meeting that annual dues are established for the whole of that calendar year. Subsequent annual dues shall be billed each January with the notification of the February meeting. Payments are due within 30 days.

#### **(b) Residence Assessment**

The Residence Assessment is the assessment which is payable by the Owner or owners of any Lot or Dwelling Unit upon which a residence has been "established". The Residence Assessment is due and payable by the owner or owners of any lot or dwelling unit from the date the instrument creating the owner or owners interest in such lot or dwelling unit is or could have been filed of record in the Office of the County Clerk of Tulsa County, State of Oklahoma. Once a residence has been established upon any lot or dwelling unit or any part thereof, the said lot or dwelling unit shall forever be subject to the Residence Assessment.

Notwithstanding any of the above, any person(s) or entity, which own(s) two or more lots which are subject to the Base Assessment, shall be responsible for the payment of the Base Assessments for each such lot or dwelling unit until such time as a residence is established thereon. In the event any two lots or dwelling units which have any common property line, shall have the same Owner(s), the said Owner(s) may, at the time the first Residence is established on any part thereof, elect to combine the two commonly owned lots into a single Dwelling Unit for purposes of the Residence Assessments. In no event shall any more than two such lots be combined to form any single Dwelling Unit and in no event may more than one Residence be established on any single Dwelling Unit. In the event any lot or lots which had previously been combined to form a single Dwelling Unit shall at any time cease to be commonly owned, the said lots shall each thereafter be considered a separate Dwelling Unit and Owner(s) shall be subject to assessment accordingly. An election to combine any lots to form a single Dwelling Unit as herein provided, shall also constitute an election to combine said lots for purposes of voting rights pursuant to Article II, Section 2. Payments are due within 30 days.

**(c) Special Assessments**

The Special Assessment is any assessment which is approved by the membership which is not routinely or regularly payable by the members. A Special Assessment may be approved by the membership for any lawful purpose that is consistent with the Deed of Dedication, the Articles of Incorporation, and these By-laws. Although Special Assessments are not intended to be routinely or regularly payable by the members, nothing herein contained shall prevent the membership from approving a special assessment and providing for periodic payment thereof. Payments are due within 30 days.
